

Help guide to add teacher id as admin of a CLIX course Unit

This guide explains how to make a teacher admin of a CLIX course unit. Once CLIX platform is installed on a school server, a list of one thousand such student & teacher user ids and passwords (technically referred to as user id CSV) will be provided. CLIX Field Technologists/Field Professionals need to take print out of user id-password list and,

1. Work with teachers to assign the user ids to students and teachers and write down student's details against their user id
2. Keep the register in the school lab and ask the teachers to maintain it
3. Keep at least one backup of the register in HM/Principal's office
4. If feasible, paste the user id-password list on the wall of computer lab

Additionally, CLIX FTs/FSPs will have super admin access to the platform server (user id: **administrator**; password: **changeit**). *It is important that these credentials are NOT shared with anyone else outside CLIX field team.*

Making teacher user id as admin of a course unit:

Before the roll-out session, teacher user ids need to be made admin of their corresponding course units. For example Math teachers need to be able to:

1. student comments
2. notebook notes
3. file uploads in the gallery, and
4. be able to see Group Analytics (progress report of all students enrolled on the course unit).

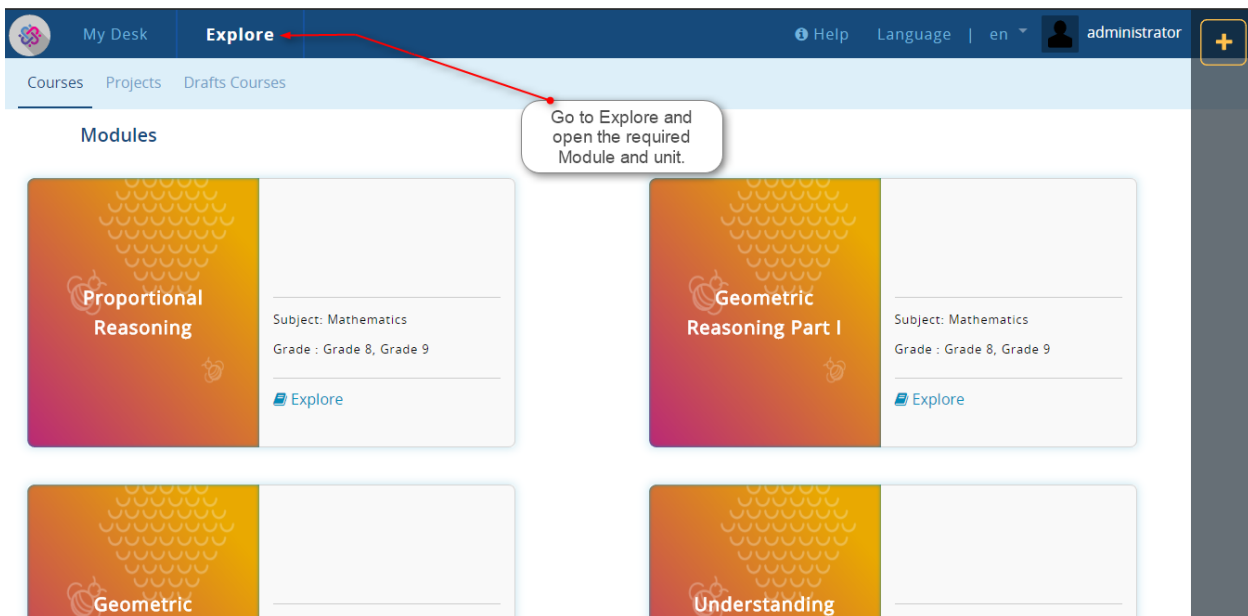

Tip:

1. For convenience, we can fix subject-wise teacher user ids such as English teachers to get iron; Math teachers to get gold
2. Multiple teacher ids can be added as Admins of a course unit

Please follow below steps to add a teacher as admin of a course unit:

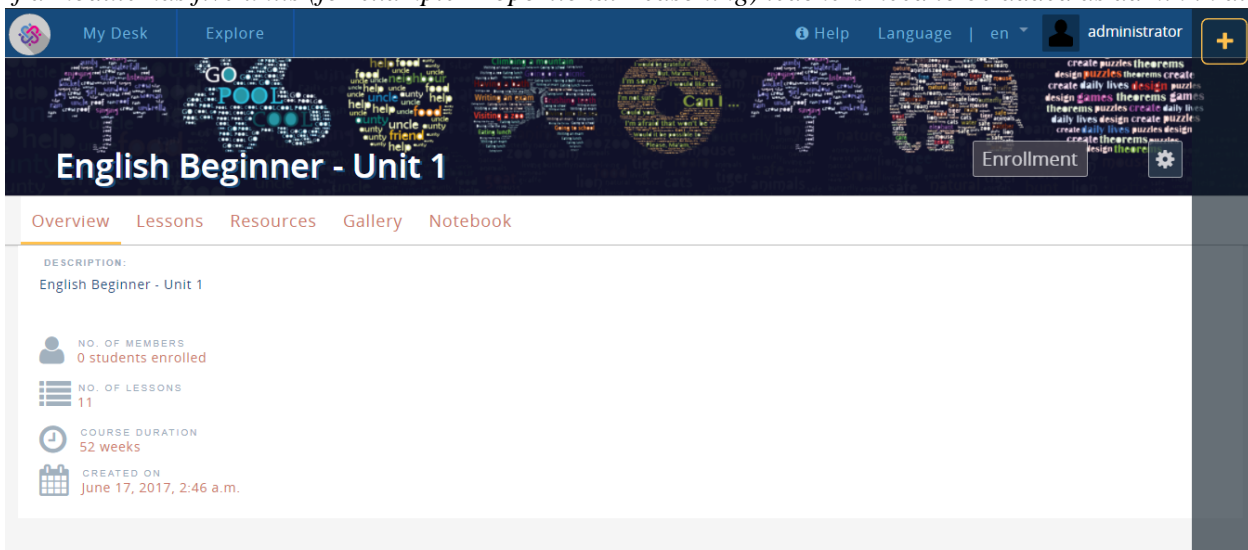

Step 1: Login as administrator

Step 2: Go to Explore

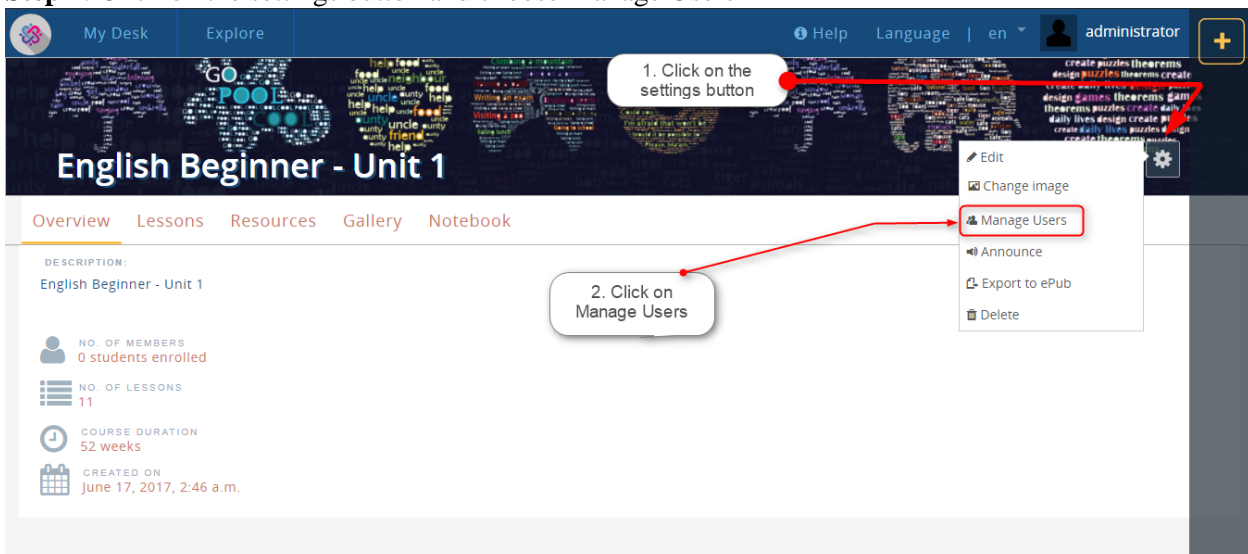

Step 3: Open the Module and Unit. Please note, teachers need to be added as admin at the Unit level.

If a module has five units (for example Proportional Reasoning) teachers need to be added as admin in all the five units

Step 4: Click on the settings button and choose Manage Users

Step 5: Search for the user id that you want to admin and add it as Admin (if there are multiple teachers then search and add them as Admin one after the other).

search for the required teacher id

SEARCH USER BY NAME : oxygen

Find Students

Total 5 user(s) found.

No.	Name	Member	Admin
1	green-oxygen-sp99	✓ Add	✓ Add
2	blue-oxygen-sp99	✓ Add	✓ Add
3	orange-oxygen-sp99	✓ Add	✓ Add
4	red-oxygen-sp99	✓ Add	✓ Add
5	yellow-oxygen-sp99	✓ Add	✓ Add

Click here to add the required teacher id as Admin of this unit.

Search the teacher's user id

SEARCH USER BY NAME : oxygen

Find Students

Total 5 user(s) found.

No.	Name	Member	Admin
1	green-oxygen-sp99	✓ Add	✓ Add
2	blue-oxygen-sp99	✓ Add	✗ Remove
3	orange-oxygen-sp99	✓ Add	✓ Add
4	red-oxygen-sp99	✓ Add	✓ Add
5	yellow-oxygen-sp99	✓ Add	✓ Add

blue-oxygen-sp99 teacher id is now an Admin of this unit.

Step 6: Logout of the platform as administrator or open a new window in Chrome incognito mode.

Step 7: Login as the teacher user id that you added as admin of course units

Step 8:

Go to the course unit and see if the GROUP ANALYTICS tab is visible in the overview. If the tab is visible then the te

Step 9:

If the tab in course unit Overview is PROGRESS REPORT then the teacher id is not an admin of the course unit.

The screenshot shows the Khan Academy interface for a unit titled "Unit 0: Pre Assessment". The top navigation bar includes "My Desk", "Explore", "Help", "Language | en", and a user profile "blue-oxygen-sp99". The unit title is displayed on a green chalkboard background. Below the title, there are tabs for "Overview", "Lessons", "Resources", "Gallery", and "Notebook". The "Overview" tab is active, showing a description: "Proportional Reasoning Unit 0: Pre Assessment". Below the description, there are statistics: "NO. OF MEMBERS: 0 students enrolled", "NO. OF LESSONS: 1", "COURSE DURATION: 52 weeks", and "CREATED ON: June 15, 2017, 9:25 p.m.". At the bottom, there are two buttons: "NOTIFICATIONS" and "PROGRESS REPORT".

Annotations with red arrows point to the following elements:

- A callout box pointing to the user profile "blue-oxygen-sp99" contains the text: "English teacher login".
- A callout box pointing to the "PROGRESS REPORT" button contains the text: "Since English teacher is not an admin of Math unit, the English teacher will only see PROGRESS REPORT (his/her own progress) and not GROUP ANALYTICS (all students' progress)".
