

Platform guide

- **The difference between teachers and students credentials**

A Teacher login Credential starts with a Colour name followed by an Element such as Copper,Iron etc, whereas a Student login Credential starts with a colour name followed by name of either of Animal/Bird/Fruit.

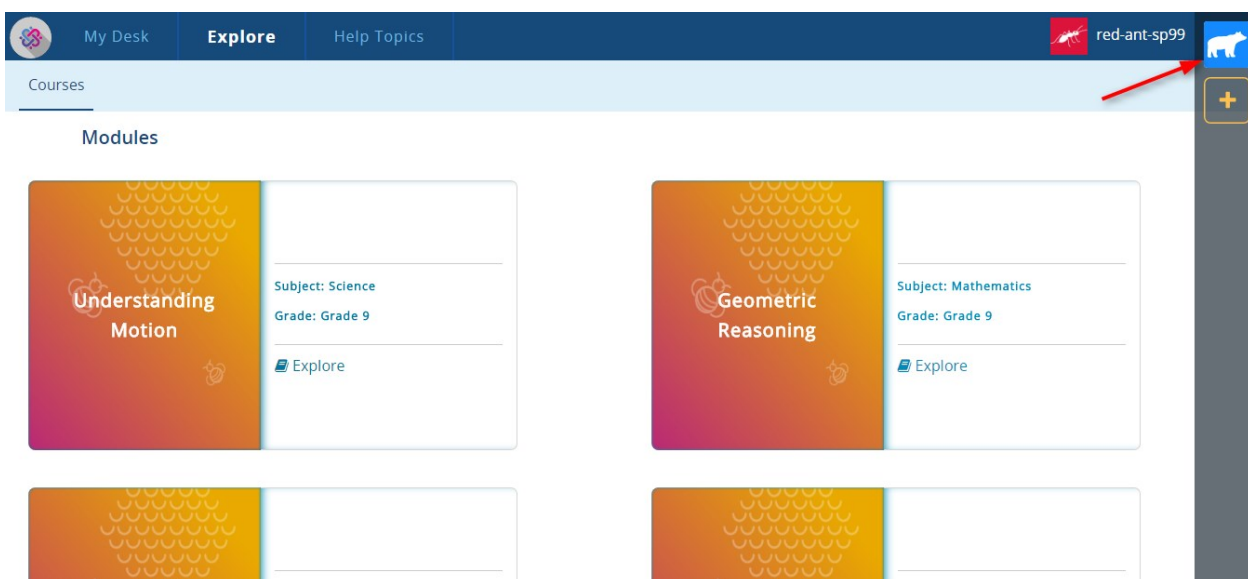

- **Buddy login**

A Buddy is another student who shares the computer with one or more other buddies during CLIX class.

Buddies learn together.

Buddies help each other and work with each other during a CLIX class.

Buddies can be added or removed during a CLIX session as per the teacher's guidance

How to add a buddy?

1. Click on the '+' button on the Right Hand Side (RHS) blue bar.
2. Select the buddy by choosing the name and colour
3. Click on 'Add' button after selecting the buddy, the buddy will be added.

- **Student dashboard, points, notes, gallery**
