Student dashboard, points, notes, gallery

Dashboard or My Desk : My Desk is the place where students start after logging in to the CLIx platform.
In My Desk, My Courses and My Performance are displayed.
My Courses displays all the In-Progress and Completed CLIx units of a student.
The Units which students have Enrolled into are displayed in My Courses.
My Performance shows the following details about the student's work on the CLIx platform:
Progress of the enrolled units, lessons, assessments, file uploads, interactions, note making and total points earned.
That is, My Performance is an aggregated summary of how an individual student is progressing in the CLIx learning jou

Points:

Points are given for your learning progress. Below are some of the ways in which you can gain more and more

1. Enrol into a unit

2. Complete all the lessons and activities

3. Take assessments & quiz

4. Make notes

5. Discuss on the notes created by other students

6. Upload files in the gallery

7. Make use of Resources

8. If others give you ratings (stars)

Notes or Notebook:

Notes or Notebooks allow teachers and students to post their notes, see others' notes and discuss with each oth

Gallery:

Gallery allows file upload in an organized way. In order to upload files, first a folder needs to be created. Within the fol

1. Go to the gallery.
2. Click on the Add button.
